Sewing Instructions

Step 1:

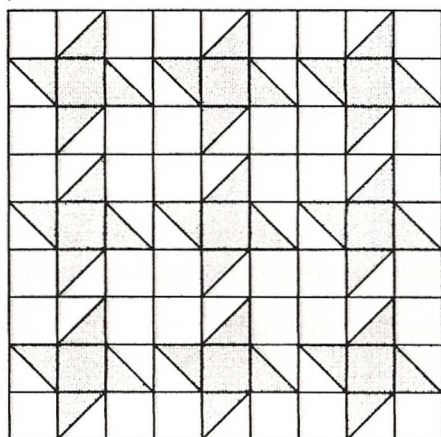

- ❑ Make 36 half square triangles using your favorite method.
- ❑ Press towards the darker fabric.
- ❑ Trim the half square triangles to 2 1/2" square.

Step 2:

- ❑ Arrange plain squares alternating with the half square triangles to make a Friendship Star block.
- ❑ When making the rows, press the seams in the top and bottom row to the outside, and the seams in the center row to the inside.
- ❑ When sewing the three rows together, press the seams to the center of the block.
- ❑ The Friendship Star unit should measure 6 1/2" square.
- ❑ Make nine Friendship Star units.

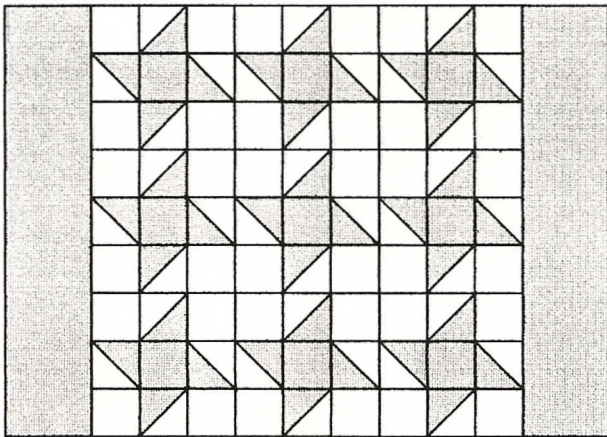

Step 3:

- ❑ Arrange the Friendship Star units into three rows of three units each.
- ❑ Rotate every other block 1/4 turn, so that the direction of the seams will alternate.
- ❑ Sew three units into a row. Make three rows.
- ❑ Sew the three rows together.
- ❑ The top should now measure 18 1/2" x 18 1/2".

*WOF = Width of Fabric (fabric needs to measure 40" wide without salvages after pre-washing)

Step 4:

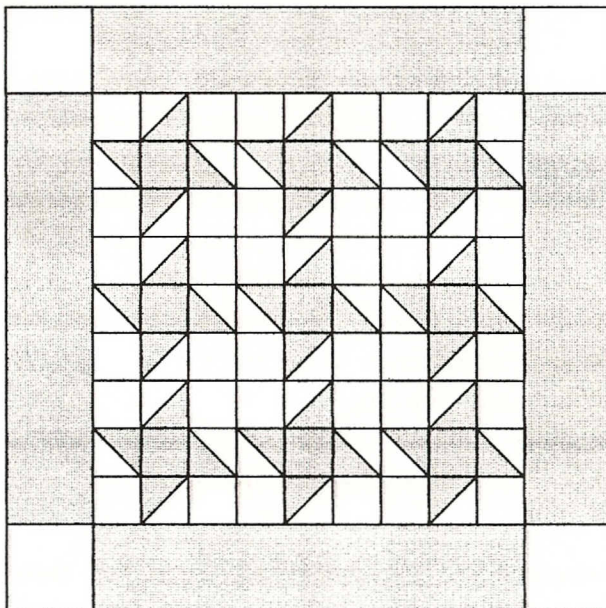

- Sew a border strip to each of two opposite sides only of the quilt center.
- Press seams towards borders.

Step 5:

- Sew a 4 1/2" cornerstone square to each end of the remaining two border strips.
- Press seams towards border strip.

Step 6:

- Sew these border strip units to the remaining two sides of the quilt.
- Press the seams towards the borders.

Step 7:

- Layer with batting and backing and quilt.
- Put on the binding and label.
