Sewing Instructions

Step 1:

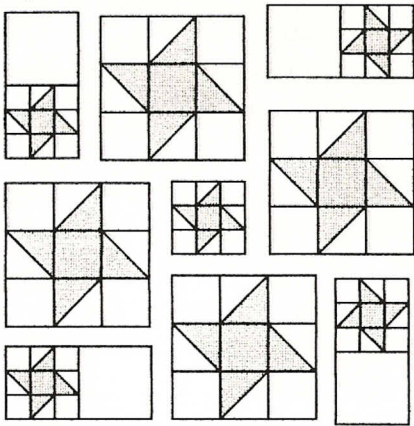

Step 2:

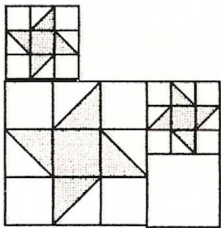

- ❑ Pair one background square with one star fabric square, right sides together, using the 4" and 2 1/2" squares. Draw a line down the center and sew 1/4" on either side of the line. Cut apart on the drawn line.
- ❑ Press towards the darker fabric.
- ❑ Make 16 half square triangles for the large size and 20 half square triangles for the small size.
- ❑ Trim the half square triangles to 3 1/2" square for the larger blocks, and 2" square for the smaller blocks.
- ❑ Arrange four plain background squares and one plain star fabric square alternating with the half square triangles to make a Friendship Star block.
- ❑ Sew the squares into rows. Press seams towards the un-pieced squares.
- ❑ Press the last two seams which join the rows together towards the center of the block.
- ❑ The Friendship Star unit should measure 9 1/2" square for the large size, and 5" square for the small size.
- ❑ Make four Friendship Star units of the large size and five of the small size.

Step 3:

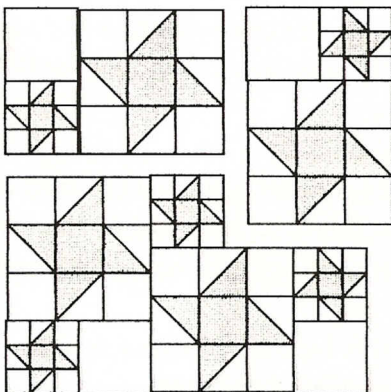

- ❑ Arrange the blocks according to the diagram on the right.
- ❑ Check the nesting of the seams where the seams will line up. Rotate the appropriate block if required to get the seams to nest.
- ❑ Sew a plain background squares to a small friendship star block. Make four of these pairs.
- ❑ Sew the units made in the previous step to the large Friendship Star units.

Step 4:

- ❑ Sew the first unit from Step 3 to the remaining small Friendship Star unit, using a partial seam. Start the partial seam at the left hand side, and sew to half way along the small Friendship star unit
- ❑ Finger press the seam towards the large unit.

Step 5:

- ❑ Sew the remaining units from Step 4 to the unit created in step 5, log cabin style.
- ❑ Finish the partial seam when joining the last step 4 unit to the first step 4 unit.
- ❑ This unit should measure 23" x 23".

Step 6:

- ❑ Add the border strips. Trim to size.

Step 8:

- ❑ Layer with batting and backing and quilt.
- ❑ Put on the binding and label.
